

Pine, Calif. - Jan. 4, 1924

Dear Mr. Lummis -

Am enclosing check and am sorry it was overlooked but you can imagine how busy we were during Christmas.

You would have enjoyed hearing a crowd of Dorothy's High School friends singing "Papa Noel le le" the other night. She plays the songs very nicely and they are surely enjoying them. With best wishes for a Happy and Prosperous New Year -

I am, Yours very truly

Mrs. F. E. Cornelius,
Piru, Cal.

Dear Mrs. Cornelius:

Thank you for your remittance-- there was no
hurry whatever about it.

I should have enjoyed hearing Dorothy's friends singing the
Songs-- and I hope that these dear old favorites will take a new lease
on life all through that valley.

With best wishes to you for the New Year,

Always Your Friend,

December 11, 1923.

Mrs. F. N. Cornelius,
Piru, Ventura Co., Calif.

Dear Mrs. Cornelius:

Seems quite Home-Like to hear from you.

I will send you 4 copies of the Song Book at once, and have no doubt that you will have no trouble in selling them, and many more. They are so handsome in appearance and the Songs are such beautiful ones-- and all familiar in that neighborhood, that people will be sure to want them as soon as they see them.

They are going like hot cakes--- over 1500 sold before anybody had seen a copy!

With good wishes to both of you,

Always sincerely,

Piru. Calif.

My dear Mr. Sumner - Really meant to write you before this but time slips by so quickly and don't get the half done I'd like to.

Am enclosing order for 4 copies of the songs but really think I can dispose of more after I have one here on display.

With very best wishes from Mr. Cornelius and myself for the success of your venture -

I am, Yours very truly
J. E. Cornelius
